

QSC SARAH PARVIN TOURNAMENT

NO PROBLEM / NO CHANCE

The Quakertown Soccer Club and Sarah Parvin Foundation want you to have an enjoyable experience at the Sarah Parvin SoccerFest. We have a few rules we ask your assistance with to make everyone's experience top-notch. We have diced it up into two major categories.

NO PROBLEM

- ☺ **PARKING is CRITICAL.** Please park as close together as you can but be kind to your neighbor's car doors. Please see the Parking Document for additional information
- ☺ **EXTRA PARKING** – There is overflow parking in the front of the Complex, in the back of the Complex next to the football and baseball complexes. Yes, you may have a bit of a walk, but it's good for you.
- ☺ **SHUTTLE SERVICE** – there is extra parking available at the Regal Theater just across from the Main Entrance of the Soccer Complex. Please park in the designated area. We will have a Shuttle running every 15 minutes so you won't have to cross California Rd.
- ☺ **HANDICAP PARKING** – we have 4 spaces close to the Fields. We can provide additional Handicap Parking in the Staff areas, if need be.
- ☺ **TENT & R/V CAMPING ARE AVAILABLE...but please respect the space of the others.** Please take **ONLY** the camping space you need. Our tournament has increased by almost 60 teams. We must work together to share the space.
- ☺ **TENT AREAS** – are all around the complex. Please note the two retention basins on the map. If it rains hard, you will be in a big puddle. You may like that – we just wanted you to know.
- ☺ **GRILLS** – look we would love it if you would buy all of the food we provide, but if you want to bring a propane or electric grill, that's fine.
- ☺ **TRASH** – Receptacles are all around the Facility, including Recycling, but **IF** you have a large bag to dispose of, please walk it to our Dumpster by the Football complex. Thanks!!
- ☺ **FUN** – you will have Fun. Watch all the kids play and then, kids, watch all the adults play. Now that is fun.

NO CHANCE

- ☺ **SMOKING** – QSC is a Smoke-Free Public Facility – besides it causes Cancer and we are trying to help that process.
- ☺ **ALCOHOL** – QSC is an Alcohol-Free Public Facility – we can't help you on that one either.
- ☺ **NO CHARCOAL GRILLS, CAMPFIRES OR ANY OPEN FLAMES** – We are happy to allow propane and electric grills, but we have to restrict **ANY** device with an open flame. It's especially important with this dry summer.
- ☺ **PARKING ON GRASS** – not allowed in the primary Parking Area. Only in overflow parking at the front of the complex, or in the RV area, is this permitted.
- ☺ **PARKING WHERE THERE ARE NO PARKING SIGNS** – seriously, like I need to explain this? This is **ESPECIALLY CRITICAL** in the areas where we have Ambulance access gates to the Fields. This is a good way to get towed. We don't want to, but we will.
- ☺ **DON'T PARK IN THE STAFF PARKING** – We should explain that it's the **ONLY** perk that QSC workers get. We pay for food just like you, we get schedules just like everyone else. We get to park close, that's it.
- ☺ **DON'T BLOCK TENT CITY WALKWAYS OR THE OUTSIDE CART/WALKING PATH** – Please don't park your tent on the walkways and keep a 5' barrier on either side of the Cart/Walking Path. They are there so you can get in and out easily and in case we need to get Emergency Personnel in there.
